Visit our wiki (SPOTdocs login required)

Digital Curation Community

What are the broader implications of your community's work for libraries, universities, or society at large?

What impact has the community made so far?

What has the building process been like? How can those who haven't joined yet get involved?

What are you plans for next year?

OCUL Government Information Community

Hélène LeBlanc, Wilfrid Laurier University

Moderator: Agnes Zientarska-Kayko, University of Waterloo
