## VINNY!

This is Vinny, a very fluffy, extremely snuggly orange cat, curled up in the duvet, posing (unimpressed) at the top of a snow mountain, and looking very dignified while doing some peaceful morning stretches.

## KERMIT!

This is Kermit, a very handsome, sleek black cat with pointy ears and big wide eyes. Kermit is lounging across the desk, paws on the keyboard, perhaps typing out a Bridgerton-style gossip column? Stay tuned!

## JUDY!

A 6-year-old curly brown labradoodle, very muppet-like, sitting like a human on the couch with all limbs sprawled, posing nicely for the camera. She has very fluffy big paws and a politely curious expression. Kindly inviting you to come sit next to her for a while!

Submitted by Lynne Serviss (McMaster)

## **POPPY!**

Poppy is a very tiny, fluffy white toy poodle with big brown eyes and very pink tongue. Her favourite things are parks, tennis balls and sleeping on the couch. She is extremely earnest and ready to play!

Submitted by Bart Kawula (SP)

## LIMA!

Here is Lima, a very floofy grey poodle with the floppiest ears you've ever seen! Lima is very good at modeling, seen here posing with a can of SPAM in one photo, and with a lovely sort of cravat by the cherry blossoms in another.

## **OREO!**

Oreo is a very handsome black and white tuxedo cat with a sweet pink nose and lovely blue collar. Here he is sitting on the couch investigating (sniffing? thinking of eating? helping to build?) an R2D2 Lego build.

Submitted by Amy Greenberg (OCUL)

## **LOLO!**

Lolo (short for Cannolo) is a 2-year-old Cavapoo. She has gorgeous caramel fur and beautiful silky ears. Her favourite hobbies are playing with friends, investigating smells, and visiting shops for a treat.

## **HOMER!**

## **NUGGET!**

Nugget is a brown and beige ferret and is a fairly new member of the family, arriving last Christmas! He is a lot like a cat, though apparently even more fun, but is also responsible for breaking nearly every glass and mug in the house. Here he is looking long and lanky and entirely innocent.

Submitted by Aaron Lupton (York)

## **BINX!**

Binx is a 2.5 year old rescue void/black cat. He's got a love of watching the outdoors through windows, though a terror of doors leading to the outside world, and he loves relaxing with a good CBC Gem series.

Submitted by Alex  
Fletcher (OCUL)

## GUS!

Gus is a 3-year-old shaggy golden retriever. He has a funny set of under-eye eyebrows? whiskers? that are growing out of control! Gus is holding his favourite toy, a stuffed cappuccino that he only gets to play with when someone comes to visit. It is duct-taped together to keep him from eating the stuffing (his favourite treat).

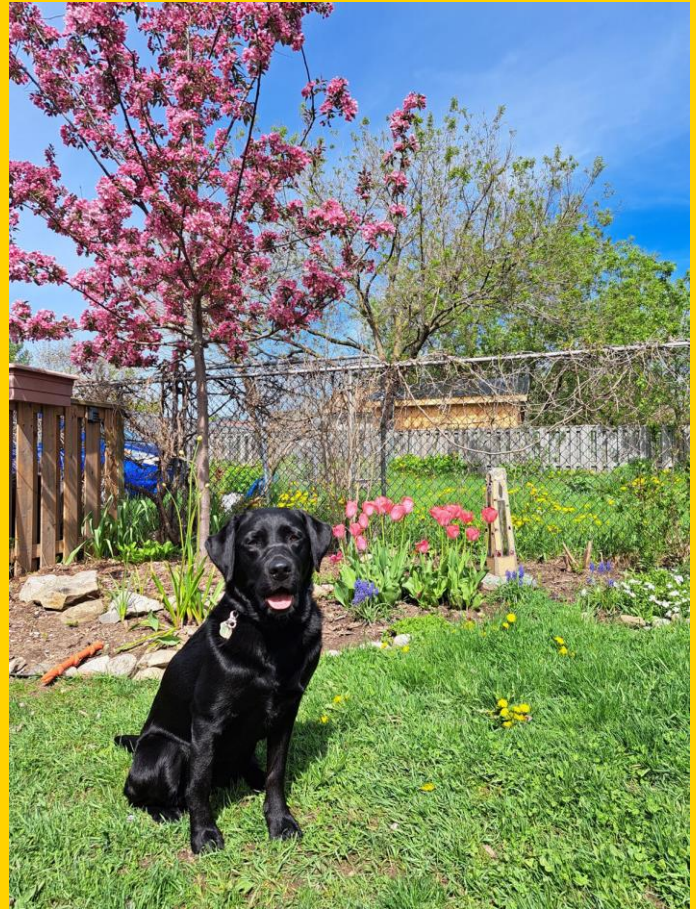

Submitted by Gabby Crowley (SP)

## **MILLIE!**

Millie is a beautiful black lab, posing here in her garden with pink tulips and a crabapple tree blooming behind her! She is an excellent friend and the best adventure partner.

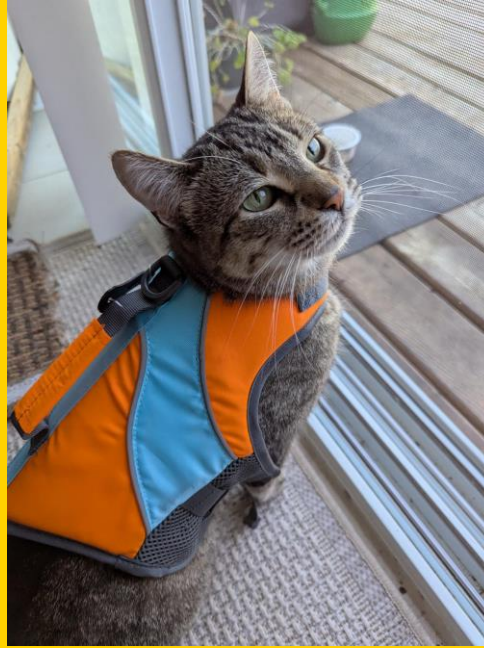

Submitted by Sarah Faulhafer (Guelph)

## **JUNIPER!**

This is Juniper, a very sweet tabby cat in her new orange and blue lifejacket! Her lifejacket matches her kayak, and she is ready for a summer of adventures out on the lake.

## **MYSTIQUE!**

Mystique aka “Misty” has the pointiest ears and the biggest smile. She enjoys playing frisbee with friends and long walks in the woods. Her talents include herding (chickens, children, anything that moves), barking at invisible enemies, and shedding. She's a very good girl.

Submitted by Emily Tufts (Trent)

## **BONNIE! BOOTS! BELLA!**

Bonnie is a very sweet (and a little bit pouty) black and brown dog. She has warm brown eyes and is all curled up, paws tucked in, looking very restful.

Boots and Bella, a black and white cat and a slightly smaller tabby, sitting together on their top perch, cozy in their favourite spot.

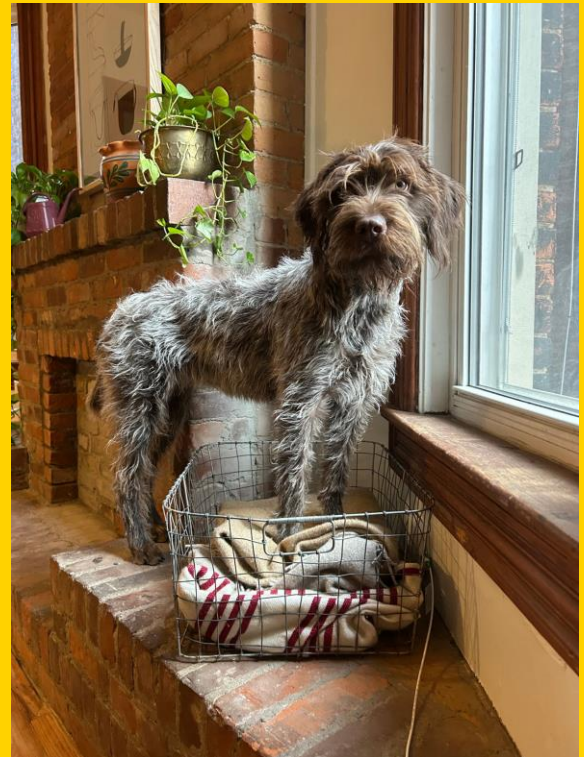

Submitted by Andrea Bee (Guelph)

## MAGGIE!

Maggie, a brown wirehaired pointing griffon, made her debut in last year's pet parade! Now one year old, Maggie is even more muppet-like and can be found curled up on her bed or snooping out the window with her paws in the blanket basket.

Submitted by Julia Gilmore (SP)

## TANYA!

Tanya is a very playful tortoiseshell cat, seen here poking her head out of her little red and blue playground tunnel. If anyone has a few minutes to spare, would they please play for a bit? Much appreciated.

Submitted by Ravit David (SP)

## KITKAT!

Kitkat is a 3-year-old tuxedo cat. She is an efficient alarm system that wakes you up between 3-4am through the method of door scratching (sometimes carpet). During business hours, she will kick you off your office chair so she can take a nap. She loves playing with water but doesn't like getting wet.

Submitted by Mohana Sarmiento (SP)

## HUCK! AGGIE!

Huck is a very dapper black bunny with perfect paws, named after Huckleberry Finn. Aggie is an endearing tricolour bunny with luxurious long ears, named after Agatha Christie. Aggie & Huck are ready for a summer of lounging in the grass and catching sunbeams on the dock!
